36.) Government Green Fleet Policy

Adopt a green fleet policy that includes purchasing the most fuel efficient and least polluting vehicle that will meet the needs for use of the vehicle (appropriate size and type) and gives preference to the purchase of alternative fuel and/or hybrid fleet vehicles for fleet vehicle replacement.

DESCRIPTION OF MEASURE

The local government has adopted a vehicle purchase policy that favors the purchase of alternative fuel vehicles and/or hybrids. An alternative fuel vehicle is defined as a vehicle that is powered by a fuel that is not petroleum based (i.e. ethanol, biodiesel, electricity, compressed natural gas, etc.).
