APPROVAL OF MINUTES

Regular Meetings of September 3, 2013, October 1, 2013, and November 5, 2013.

Motion to approve was made by Cheryl Brannon and seconded by Teresa Noles. Vote was unanimous.

AGENDA

Cleaning schedule reviewed for the final three workdays on the year. This will be a week to week adjustment depending on weather conditions.

Chairman reported that the reconstruction of the Hembree grave shelter is complete, and the Eagle Scout candidate's work will now go before the review board.

A descendant of someone buried at the Bowden-Mozley cemetery has requested that the sign be replaced. This request will be investigated for possible action in 2014.

The visitor (Jim Crook) is interested in possibly working with the cemetery commission. A good bit of the meeting involved explaining more about the commission's work to him.

The next regular meeting of the cemetery commission will be on January 7, 2013. Field work continues every Thursday, weather permitting.

ADJOURNED AT 6:30 pm
