## **APPROVAL OF MINUTES**

Regular Meeting of December 3, 2013.

Motion to approve was made by Cheryl Brannon and seconded by Harry Moody. Vote was unanimous.

## **AGENDA**

A revised cleaning schedule was reviewed for January through April to ensure that cemeteries needing marker repair and/or cleaning are not cleaned until temperatures are warm enough for the products to work properly.

Chairman reported signing off on the Eagle Scout project on January 3, 2014. There will be some filming for DCTV at a later date.

A descendant of someone buried at the Bowden-Mozley cemetery has requested that the sign be replaced to include the original land owner's name, Summerlin. In the interest of good public relations, a revised marker will be placed at the cemetery but will be postponed until later in 2014 in case any additional markers are needed. In fact, Basket Creek Baptist Church is interested in acquiring two signs for the cemetery there. These would be funded by the church, not the county.

There was discussion of commission involvement with both Mt. Carmel and New Hope. At Mt. Carmel it would primarily be limited to marker repair/resetting, and at New Hope the involvement would be advice regarding marker repair/resetting/cleaning.

The next regular meeting of the cemetery commission will be on February 4, 2014. Field work continues every Thursday, weather permitting.
