APPROVAL OF MINUTES

Regular Meeting of March 4, 2013. Motion to approve was made by Marcia Atkins and seconded by James Campbell. Vote was unanimous.

AGENDA

Review of cemetery work accomplished since the March meeting including Mt. Carmel, Dingler, Sticher, Chapman, and Liberty Methodist Episcopal (in progress).

Review of tentative schedule through mid-May to include Liberty Methodist Episcopal, Giles, Smith-Collins, McKoy, Thomasson, Holly Springs and McLarty.

Chairman reported on completion of work at Ben Hill Road cemetery by setting eight small granite markers to mark each grave as Adult, Child, or Infant.

There was a lengthy discussion of the election of officers in January 2015, with the chairman stating that she was willing to serve one more term (2015/2016) as chairman and tentatively anticipates resigning from the commission at the end of 2018 to relocate out of the area. The emphasis was on the need for someone else currently on the commission to be prepared to assume the chairmanship as of January 2017 (32 months from now).

The next regular meeting of the cemetery commission will be on May 6, 2014. Field work continues every Thursday, weather permitting.

ADJOURNED AT 6:50 pm
