I asked him if he knew of any neighbors that could have possibly seen Mr. Tim Smith abusing the dog at any point. He did not know of anyone but stated that he would ask his daughter if she knew because she was there when Mr. Tim Smith was abusing the dog and witnessed it happening. Mr Troy Haggadone thinks that maybe the neighbors behind their house could have seen/heard something but could not give me a definite answer. Mr. Troy Haggadone did say that he saw the dog before DCAC arrived and it was tethered to the tree. It was tied high up so the dog could not lay down and was having to sit/stand. He also stated that most of the abuse happened inside the home because he was mad at the mother.</p> <p>-----</p> <p>Note ID: 64755 Date: 12-28-2015 04:47:06 PM Case Notes from Staff.Ross Blackston I OFC Blackston on 12/28/15 around 4:30pm made contact with Mr. Timothy Smith (678-847-4554). He was hostile even on the phone while I attempted to get information from him. He would not give me any further info. I asked if I could be provided with Mr. Derrick Tuggle's phone number and address so that we could speak with him about having him sign a written statement that he gave the dog to you (Mr. Timothy Smith). He did not feel he had to provide it to me and stated he was pressing charges.</p> <p>-----</p> <p>Note ID: 64823 Date: 12-30-2015 10:09:13 AM Follow Up Notes from Staff.Terry Bennett // Written notice on reclaim: 7 days to provide proof of rabies No tethering</p> <p>No boarding fees, just \$35.00 reclaim fee imposed.
