Re: John West Road at Bright Star Road Intersection Improvement,
Project T032D1004
Douglas County Board of Commissioners
Solicitation No. 17-024

Dear Ladies and Gentlemen,

This **Addendum No.1**, to Douglas County's Request for Qualifications for the John West Road at Bright Star Road Intersection Improvement, Project T032D1004, is hereby issued to provide clarification to the Request in the following particulars only, and is made a part of the Request document.

1. On page 8 of the RFPs under C. Experience and Qualifications, item d. requests client's stated satisfaction in service of your firm and then item e. requests 2 letters of reference. Could you please clarify? Are you wanting letters from each client in regards to the 5 projects provided to satisfy item d. or are you looking for 2 letters of reference total as stated in item e? What information do you need to satisfy item d? **Remove first sentence in item d. (Client's stated satisfaction in services of your firm.) Leave in "Client's current contact information."**
The 2 letters required in item e should be sufficient.
2. On pages 9 and 10 of the RFPs, Items 3- 6 request information in regards to intelligent traffic systems, TCC, and signal timing. Are these items required for this intersection project? **This is answered on p.3 (scope of services). If traffic signal warrants are met as called out on p.3 item 16, then item 17 requirements must be met. Therefore, items 3-6 on pages 9-10 should be answered as to the prime and/or sub's experience for these services.**
