INVITATION TO BID

DOUGLAS COUNTY COURTHOUSE
VIDEO SECURITY/SURVEILLANCE SYSTEM

Solicitation No. 17-039
November 1, 2017

The Douglas County Board of Commissioners is seeking a competent and reputable contractor to replace the video security/surveillance system at the Douglas County Courthouse. This will be a contractor design/install project as all prospective bidders will specify, provide, and install the products and equipment to the point that it is fully operational to the owners' satisfaction.

It is the contractor's responsibility to assess existing equipment, functions, locations, and logistics to propose new equipment to be installed. Failure to assess these factors will not relieve the contractor or the obligation to perform the requirements of their proposed system and components. All proposers must be primarily engaged in the business of furnishing and installing visual surveillance and recording systems and must demonstrate they have the technical expertise, resource availability, experience, facilities, capabilities and financial resources necessary to perform the work in a satisfactory manner.

All information for interested bidders and bidding documents may be obtained from the Douglas County website www.celebratedouglascounty.com on the Purchasing Department pages under current bids, or at the office of the Douglas County Purchasing Department, (770.920.7247), located on the third floor of the Douglas County Courthouse, at 8700 Hospital Drive, Douglasville, Georgia.
