Re: Professional Services for the Transportation Scoping Study for the I-20 at Chapel Hill Road Diverging Diamond Interchange (DDI) PI-0015074
Douglas County Board of Commissioners
Solicitation No. 18-009

Dear Ladies and Gentlemen,

This **Addendum No.1**, to Douglas County's Request for Qualifications for Professional Services for the Transportation Scoping Study for the I-20 at Chapel Hill Road Diverging Diamond Interchange (DDI) PI-0015074, is hereby issued to provide clarification to the Request in the following particulars only, and is made a part of the Request for Qualifications document.

1. Attached is the revised area classes for the existing Section 4 – Area Classes Tables in Exhibit I.
2. What is the County's prospective on joint venture? **Not opposed as long as both firms are qualified.**
3. If you do come up with a change in requirements will you consider an extension of the submittal deadline? **No.**
4. What is the anticipated date for responses to questions? **Questions to be received no later than June 19, 2018 and responses will be given within a couple of days of that.**
5. Are there scheduled goals for your scheduled Phase I and Phase II? **The whole process must be complete within twelve (12) months; that is the goal.**
6. So do you have things like logical term that is already established? **That is part of the assessment.**
7. When will you all have the big ones evaluated and the short list prepared? **One week.**

We acknowledge receipt of your Addendum No. 1, Solicitation No 18-009.

4. Required Area Classes:

Prime Consultants are defined as the firm submitting the Statement of Qualifications and the firm with whom the Douglas County BOC will contract. The Team is defined as the Prime Consultant and their sub-consultants, who are considered team members. The Prime Consultant must be prequalified in the Area Classes identified below in Section 4 A. The Prime Consultant or sub-consultant team members must be prequalified in the Area Classes identified below in Section 4 B. Respondents should submit a summary form (example provided in **Exhibit IV**) which details the required area classes for the Prime Consultant and all sub-consultants or joint-venture of consultants on the team listed in the Statement of Qualifications. The area classes listed on the summary form must meet all required area classes or the team will be disqualified. The Prequalification Expiration Date must be current by the deadline stated for this RFQ.

Number	Area Class
1.10	Traffic Analysis
3.02	Two-Lane or Multi-Lane Urban Roadway Design
3.03	Multi-lane Urban Roadway Widening & Reconstruction
