AFFORDABLE RENTAL HOUSING TIP SHEET

Frequently asked questions about key AFFORDABLE HOUSING terms

What is Area Median Income?

Area Median Income refers to the middle or midpoint income for a particular area. The term is used to estimate the "average" income for a particular area.

What is Affordable Housing?

Affordable Housing is a vague term generally defined as housing where the occupant pays no more than 30% of gross income for total housing costs, including utilities.

What is Public Housing?

Public Housing is housing which a Public Housing Authority operates. A background check is required in all Public Housing buildings.

What is a Public Housing Authority?

A Public Housing Authority is a public agency created by state or local government to finance or operate low-income housing.

I've heard that Section 8 helps low-income people with their rent. What is Section 8 and how can I apply?

The Section 8 Program is a federally funded rent subsidy program for lower income persons. The local housing authority (HA) receives funds from HUD to administer the Section 8 Program. The HA determines your eligibility for the program and the amount of the rental assistance payment. You are required to pay 30% of your adjusted income for rent. If the HA determines that your family is eligible, it will issue you a rental voucher or certificate. You are then responsible for finding a suitable rental unit of your own choice, provided that it meets minimum standards of health and safety, as determined by the HA. Contact your local HA for more information or to apply for the Section 8 program. For further assistance contact the HUD office nearest to you or visit their website for [Section 8 Program](#) information.

BOI?

Based On Income means that your rent will be (in most cases) 30% of your gross monthly income.

What is an SRO?

An SRO, or Single Room Occupancy, is a building in which tenants occupy single private spaces yet generally share cooking facilities and/or bathrooms.

What is Transitional Housing?

Transitional Housing is that which assists people transition from homelessness to greater independence and self-sufficiency. Typically, a person/family who is homeless will move into transitional housing as part of a comprehensive program with self-sufficiency as the end goal. Transitional housing usually offers supportive services like job training/assistance, GED preparation/tutoring, childcare services and/or referrals, budget/financial management workshops, etc. In most cases, persons/families pay a modest fee or percentage of their income for rent. Short-term housing may be 60-90 days while long-term housing may allow for residency up to 2 years.

Personal Care Homes and Nursing Homes:

Personal Care Homes or Residential Care Homes are group living arrangements that provide staff supervised meals, housekeeping personal care, and private or shared sleeping rooms. These facilities are generally licensed and must meet design and operating standards, including minimum staff requirements.

Nursing Homes provide 24-hour medical care if you are frail and need nursing care services or have a disabling chronic condition.

In the research that I have done there are few *affordable* personal care homes and even fewer *affordable* nursing homes. If you would like more information regarding Nursing Homes in the metro Atlanta area, please call the Atlanta Regional Commission's Aging Division 404-463-3333 and ask for a listing of Nursing Homes in the price range that you can afford in the county in which you are interested

WHERE DO I START LOOKING FOR RENTAL HOUSING?

3. Apartment Finder Magazines/Newspapers - Check a nearby newsstand for a stack...[For Rent](#) and [Apartment Guide](#) are popular choices.
4. Apartment Finder Services - You may only find a few affordable properties through these services, but it doesn't hurt to have someone else assisting with your search!
 Search the [Yellow Pages](#) for free apartment locator services; Visit the [Apartment Locators](#) page on HUD's website:
<http://www.hud.gov/apps/section8/>
 Use a search engine to find apartment locator websites - enter key words such as "apartment finder", "apartment locator", etc.
5. Drive/Walk Around - Simply driving/walking around particular neighborhoods is another option, especially if you are looking for a house to rent. Before you rent, or buy for that matter, drive around your prospective neighborhood at night. Since most people work during the day, you may not get an accurate picture of the neighborhood then. You're likely to get a better picture of the complex and/or neighborhood if you visit at night when most people are at home. You might see people working on their cars in the parking lot, people sitting on their decks talking; you might hear music blaring, kids playing outside, etc. ...all things to consider before you make a commitment to live in a particular neighborhood.
6. Referrals - Ask your friend and family members if they have any recommendations. You could find out about vacancies before even the landlord knows!

WHAT SHOULD I KNOW BEFORE I SIGN A LEASE?

Before you rent, ask the property managers about the availability/condition of amenities, property maintenance, security, condition of appliances, surrounding neighborhood, accessibility, etc. and read [QUESTIONS TO ASK WHEN RENTING](#).

- Visit the [Landlord and Tenant Legal Center](#) at nolo.com. Learn about landlord and tenant rights and responsibilities. The Legal Encyclopedia covers topics such as Leases/Rental Agreements, Tenant Selection & Housing Discrimination, Rent & Security Deposits, Repairs, Evictions, etc. See if your question is asked in the Frequently Asked Questions (FAQ) section...

SUBSIDIZED HOUSING

Types of Subsidized Housing:

Section 8 Vouchers

Public Housing

Other Subsidized

Public Housing Atlanta Housing Authority Properties

Properties owned or managed by a local Housing Authority, with rent based on 30% of household's income or approved flat rents. The apartments are located in senior communities, family communities and mixed income communities. Apply directly at the community or communities where you wish to live. You cannot apply to these properties at the Housing Authority or any other central office.

Other Subsidized

Properties not owned or managed by a local Housing Authority with rent based on 30% of household's income. To apply directly contact the property manager. On the lists you will see BOI that means the rental cost of the property is based on the tenant's monthly income. No pre-approval is needed to be able to apply

Section 8 Vouchers

Properties that accept a section 8 voucher, contact these properties once you have a section 8 voucher. Listings of available properties are updated weekly at the local Housing Authority. Call or visit the office for a list of single homes or apartments that accept the voucher. Any landlord may accept the voucher.

Most housing subsidizes are in the form of Section 8 Housing (Housing Choice Programs), which can either be project based or tenant-based housing.

*What is Section 8 (Housing Choice) and how can I apply?

The Section 8 Program is a federally funded rent subsidy program for lower income persons. The local housing authority (HA) receives funds from HUD to administer the Section 8 Program. The HA determines your eligibility for the program and the amount of the rental assistance payment. If the HA determines that your family is eligible, it will issue you a rental voucher or certificate. You are then responsible for finding a suitable rental unit of your own choice, provided that it meets minimum standards of health and safety, as determined by the HA. Contact your local HA for more information or to apply for the Section 8 program. For further assistance contact the HUD office nearest to you or visit their website (www.hud.gov/section8.html) for Section 8 Program information.

*Who qualifies for the Section 8 (Housing Choice) Program?

Single persons, families, or elderly or disabled persons qualify for the program. ***You and all of the members of your household must pass a criminal background screening that has a five-year limitation on convictions for felonious drug and violent criminal activity. This means that if you or anyone living in your home has been convicted of a felony relating to drugs or violence in the past five years, you are not eligible to receive subsidized housing.**

SUBSIDIZED HOUSING

*How does a person apply for the Section 8 (Housing Choice) Program?

There are four steps.

- 1) The head of household's name must be placed on a waiting list.
- 2) Once selected from the waiting list, a formal application to the program must be completed.
You must be able to provide the following information: income verification, family composition, and social security numbers for all family members. If you do not have this information ready and available, you will have to wait longer.
- 3) The applicant must attend a briefing on rules, regulations, and family obligations. **If you miss this meeting, you may have to be put back on the waiting list. Do not miss your briefing.**
- 4) The voucher is issued at the briefing.

*Do Section 8 (Housing Choice) leases expire?

Section 8 leases are open-ended, which means they never expire; however, they can be terminated. The initial term of the lease is one year.

*How long can a family remain on the Section 8 (Housing Choice) Program?

Families can remain on the Section 8 (Housing Choice) program as long as their income entitles them to a rent subsidy and they remain in compliance with their family obligations under the program; and as long as HUD funds the program.

*What type of housing qualifies for Section 8 (Housing Choice)?

Any house, apartment, duplex, triplex, condominium, elderly high-rise, or handicap accessible unit that is decent, safe, and sanitary with a proposed contract rent within certain reasonable limits qualifies for Section 8 (Housing Choice).

SPECIAL NEEDS

HIV+/AIDS;

The listings under this category are for people who are HIV+ or living with AIDS. The rent for the majority of the places listed is based on your income (BOI). This means that you will pay approximately 30% of your gross monthly income. However, in order to apply for a room at many of these locations, it is first necessary to get a referral from The Living Room, Inc. **(404) 463-3333 service hours: 8:00 am to 5:00 pm MON - FRI; intake hours 8:00 am to noon MON TUE WED FRI**

Mental Illness

The listings under this category are for people who are diagnosed with a mental illness. The properties listed under “mental illness” are group homes, market-based rooms, subsidized rooms, transitional homes, and treatment homes. The rent for the majority of the places listed is based on your income (BOI). This means that you will pay approximately 30% of your gross monthly income.

Elderly

The listings under this category are for people who are, in most cases, 62+ years old. A few properties will accept applications from people who are 55+yrs old. Rent for the majority of places listed is based on your income (BOI). This means that you will pay approximately 30% of your gross monthly income. While most of the properties are in an independent living situation, under “type” you can find group homes, personal care homes, and assisted living homes. There are numerous personal care homes and nursing homes in the metro Atlanta area, however the majority of these homes cost \$85/day and more above. If you would like more information about this type of home, please contact the Atlanta Regional Commission at **(404) 463-3333** or various County Service Boards (Contact information provided in Special Needs Tip Sheet)

Accessible

The listings under this category are for people with a physical disability and are looking for accessible housing. The rent for the majority of the places listed is based on your income (BOI). This means that you will pay approximately 30% of your gross monthly income. The terms “elevator”, “ramp entry”, and “full” are used to describe the level of accessibility of a specific property. Elevators are typically used in high-rise buildings and would be helpful if a person can walk, but not very far. Ramp entry means that there is no-step entry into the building/apartment. Full means that the building/apartment is fully accessible in terms of having a no-step entry, lowered shelves and cabinets, wide doorways, and an accessible bedroom.

Substance Abuse

The listings under this category are for people who are in need of residential recovery. These places are not treatment facilities, although some offer “aftercare”. This is by no means a comprehensive listing. For assistance with substance abuse treatment contact Special Needs Agencies listed on the Special Needs Housing Tip Sheet.

TRANSITIONAL HOUSING

What is Transitional Housing?

Transitional Housing is that which assists people transition from homelessness to greater independence and self-sufficiency. Typically, a person/family who is homeless will move into transitional housing as part of a comprehensive program with self-sufficiency as the end goal. Transitional housing usually offers supportive services like job training/assistance, GED preparation/tutoring, childcare services and/or referrals, budget/financial management workshops, etc. In most cases, persons/families pay a modest fee or percentage of their income for rent. Some transitional housing programs/properties charge at the time of admission and other places allow free entry with an agreement to pay once tenant finds income. Short-term housing may be 60-90 days while long-term housing may allow for residency up to 2 years.

Hotels and Motels

Extended stay hotels, motels, and inns are generally acceptable as a short-term solution, however, you should weigh the benefits of the convenience vs. the cost. **Keep in mind that extended-stay motel that charge weekly tends to cost comparatively more than an affordable rental unit, which charges monthly.**
