

# WHERE DO YOU WANT TO GO...

*What Kinds of Recreational Opportunities Do You Enjoy?*

*What are the Characteristics that Make This Part of the County Different?*

*Are there Other Needs or Considerations That Should Be A Part of This Plan?*

- Interest in more opportunities for walking, such as trails in Dog River Park, or improved shoulders along roadways, or sidewalks where appropriate*
- Walking trails within the Fairplay area and more parks*
- Create connections to a regional trail system*
- Provide more bike paths*
- Are there phases of the Dog River Park?*
- Where will the secondary entrance be for Dog River Park? Riverwalk? Phillips Mill Road?*
- Points of Entrance: Walking trails, biking, hiking trails, Dog River into Riverwalk; entrance can be on Dog River?*
- Would like to see a walking trail at Dog River Reservoir; lots of area there for that use*
