Note ID: 62486 Date: 11-15-2015 07:46:48 PM Case Notes from Staff.Lauren Marie Cannizzaro His chip (985112003846498) comes back to Charlie Ambroselli 404-808-6812 of 243 Ennisbrook Dr in Symnra. I talked to Charlie who said he does not own a dog named Max, fitting the description of this dog. He did however say that he had adopted a dog from Fulton County, and returned him after a day or 2 because he wasn't a good fit. I sent him a picture of Max and he said he believes this is the dog he returned to Fulton County. I chip scanned Max in the field and at the shelter to see if I wrote down the wrong number, but the same chip number, registered to Charlie, came up on the truck 11 and shelter scanners. I tried calling Fulton County, but had to leave a VM.							
Note ID: 62533 Date: 11-16-2015 11:36:11 AM Follow Up Notes from Staff.Stacey Worsham Contacted Fulton County Animal Services to trace chip. This dog was rescued from FCAS. The person I spoke with did not give me any information on the rescue, but told me that she would have their rescue coordinator contact me with the rescue's information. S. Worsham

According to Wendy, this dog was adopted from their rescue. I asked Wendy to provide owner information so that they may be contacted. Wendy 678-265-0438.
