Re: ITS System Expansion Project P.I. 0012622, Douglas County
Douglas County Board of Commissioners
Solicitation No. 17-013

Dear Ladies and Gentlemen,

This **Addendum No.1**, to Douglas County's Invitation to Bid for ITS System Expansion Project P.I. 0012622, Douglas County, is hereby issued to provide clarification to the Bid in the following particulars only, and is made a part of the Bid document.

1. How soon to start the project from Notice to Proceed Date? **60-90 days post closing**
2. Please clarify 365 days for project completion: **Yes**
3. To clarify this project is Federal, State and Local funds like previous projects? **Yes**
4. Do bid forms and plans include all pay items? **Yes**
5. From the prospective of the County what concerns do you have with this project in total? **We just want to make sure that all is attached correctly and the fiber is installed and that there are no breaks and that the construction is done in a manner of safety and that there is good communication with all involved with this project**
6. Is there any down time? **No down time will be allocated for this project**
7. To clarify it is a lot of fiber runs and then some intersection upgrades, correct? **Yes and some intersection video cameras (CCTV)**
8. What is the upgrading? Just installing a field switch? **Not actual signal just adding video (CCTV)**
9. There is language in the documents about being prequalified with the County; is that something you are definitely looking for? **Not prequalified with the County but with the State. The document does mention the County vendor application but that will be for payment if awarded project**
