Organizational
Training
Class

Course Name: Supervisor Safety Training

Duration: 60 Minutes

Video Included: Yes

Instructor: TBD

Course Description: The purpose of this class is to inform Supervisors how to have a structured and uniform way to teach employees under their direct supervision. They will also learn correct application of safety rules to aid in supervisory duties. This training will provide a comprehensive insight in how to use the Douglas County Safety Manual, how to prevent injuries, remedy problems and report safety hazards.
