

Course Name: Defensive Driving Course

Duration: 6 Hours

Video Included: Yes

Maximum capacity: 32

Instructor: Certified Instructor, NSC

Course Description: The purpose of this class is to offer defensive driving training on a scheduled basis to all authorized drivers of vehicles that is owned, leased, rented or utilized by Douglas County. Pupils will be given the necessary tools and knowledge to reduce the probability of a vehicle crash or injury. This six hour Defensive Driving Course (DDC) not only teaches the basics of safe vehicle operations but focuses on:

- choices we make when driving
- driving hazards and identification
- collision prevention techniques
- policy and procedures that are unique to Douglas County

The benefits of training the employees to be safe and responsible drivers are:

- decreased motor vehicle collisions and traffic violations
- minimize exposure to liability risks and associated legal expenses
- Save Lives!

Employees will receive a certificate that illustrates completion of the course and in many cases can be provided to their insurance company for the possibility of lower premiums.
