

# Office of Risk & Safety

Organizational  
Training  
Class

**Course Name:** Garage and Shop Safety

**Duration:** 60 Minutes

**Video Included:** Yes

**Instructor:** TBD

**Course Description:** The purpose of this course is aimed at sustaining safe garages and work bays. Maintaining a fleet of vehicle and equipment requires a safety-minded skillset, including the ability and awareness to identify, and avoid, the many hazards that may present themselves. Various topics that will be discussed will include:

- Back injury prevention
- Air quality
- Battery safety
- Garage door safety
- Housekeeping
- Tools
- PPE (Personal Protective Equipment)
- Fire prevention
- Gasoline safety
- Above ground storage tanks
- Fuel island safety
