**Meeting:** Location and Design Public Information Open House

**Purpose:** To provide the public with an opportunity to view the project, ask questions, and comment on the project

**Date:** Tuesday, November 12, 2019, 5.00 p.m. to 7:00 p.m. at the Boundary Waters Aquatic Center, 5000 GA-92, Douglasville, GA 30135

**Project Description:** This project proposes to construct an approximately 11-mile multi-use trail which begins at an existing concrete trail in Boundary Waters Park and will follow a pre-existing earthen trail through wooded rolling terrain, occasionally along the Chattahoochee River where possible, towards Fairburn Road; then will head in a northerly direction alongside Riverside Parkway, will cross over Sweetwater Creek with a new pedestrian/bike bridge and will continue up Rockhouse Road along the west side of the road and ending at the intersection of Old Factory Shoals Road and Factory Shoals Road within Sweetwater Creek State Park. The proposed alignment tries to follow existing trails, road beds, easements with careful attention to avoid or minimize impacts to environmental resources.
